The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Partnership for Equity, Access, and Training project in fiscal year 2022.

The entity to receive funding for this project is the Martin Luther King, Jr. Family Clinic, located at 2922-B MLK, Jr. Blvd, Dallas, TX 75215.

The funding would be used to identify students and trainers for the MLK Family Clinic. Trainers would work with students for community outreach, data collection and analysis of social determinants of health, and quality data gathering to ensure that MLK patients are accessing health care either on-site or remotely through telehealth which in turn would increase the number of individuals served.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eddie Bernice Johnson
Member of Congress
